

Ramadan Day 10

FORGIVENESS

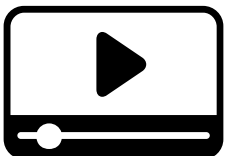

Astaghfirullah

Saying sorry is hard sometimes, but the reward we receive from Allah is so great! **Forgiveness** is such a large part of our faith. We can also ask for forgiveness from Allah by saying "Astaghfirullah". What a beautiful thing!

Goodness Challenge: Try to say "Astaghfirullah" 20 times after each prayer, for a total of 100 times by the end of the day! Think about why you are saying it and what you are asking Allah forgiveness for.

****Parent Tip**** Tell your child about a time you said 'sorry' and how you felt before and after!
