

Ramadan Day 21

GENEROSITY

Sadaqah Jar

Being **generous** with what we have is something that Allah loves. One way of being generous is by giving Sadaqah. Did you know that sadaqah protects us from harm?

Goodness Challenge: *Let's make a Sadaqah container for your house, so you are always ready to be generous!*

1. Print out the Sadaqah labels, choose one you like, and color it
2. Find a container to use as a Sadaqah jar or box for your home.
You can re-use an old jar, plastic container, or shoebox!
3. Make time to put paper money or coins into your jar every day!
4. Select an organization that you can gift your Sadaqah jar to once the container is full.
5. Tell us how much you collected and where you will donate your Sadaqah!

****Parent Tip**** Discuss which organization you should donate the sadaqah to with your child!
