

# Ramadan Day 2

## INTENTION

### Maximize your Blessings!

Making your **intention** is important! It helps you stay focused on your goal. You can make multiple intentions for one action to maximize your blessings!

**The Goodness Challenge: Use the web to think of one action that can fulfill three intentions! Write your action in the large bubble and each intention in the smaller ones!**

**\*\*Parent Tip\*\*** Discuss how each of the intentions match the action.

### Submit your Goodness Challenge:

Take a picture of you with your challenge and upload to **Episode 3** at [RamadanRoundup.com](http://RamadanRoundup.com) to earn your Goodness Challenge Card, and for a chance to be featured as a Challenge Hero on one of our episodes!
