

Ramadan Day 7

GRATITUDE

Alhamdulillah!

The Goodness Challenge: *Let's decorate your home with gratitude!*
Follow the steps to create your own Gratitude Garland.

Here's what you'll need:

- Garland card templates, printed out
- Scissors
- Crayons, markers, pencil
- Yarn or ribbon
- Tape

Steps:

1. Print out the garland card templates. Try to make 3 cards, and make more if you can!
2. Write or draw a picture of something you're grateful for on each card. Color them and make them beautiful!
3. Cut out the cards
4. Decide where you will hang your garland, and have a parent measure and cut your yarn or ribbon to the right length.
5. Tape your cards to the yarn (as shown)
6. Hang your garland up in your home as a beautiful reminder of what Allah has given you!

****Parent Tip**** Tell your child what you are grateful for!

Submit your Goodness Challenge:
